

USB MOBILE CHARGER QUICK INSTALL GUIDE

MODEL 401364

Thank you for purchasing this MANHATTAN® USB Mobile Charger, Model 401364.

Just plug this handy device into a vehicle's cigarette lighter socket or a 12 V auxiliary power port and you can keep USB and other devices — mobile phones, digital cameras, MP3 players and such — charged and ready to use while traveling or when a traditional power source isn't available. No external cables or cords required: It's self-contained!

- Converts 12 V into 5 V DC power
- Multiple circuit and surge protection: If input voltage, internal charger temperatures or vehicle battery power reach unfavorable operating levels, the charger will shut down automatically to help protect the vehicle, the mobile charger and the connected device from damage
- Lifetime Warranty
